INTRODUCTION

This project is software which is helpful for Students as well as the admin of College.

In the current system all the activities are done manually. It is very time consuming and costly. This project deals with the various activities related to the College.

There are mainly 2 databases in this software

Admin database

Student database

In the Software we can register as a students and user of only one types: admin.

Admin has the power to add new Course and can edit and delete an existing Course .

OBJECTIVE

To make the application of usable for the “College Management System”

To access the Student’s records and get the desired information which may require.

To increase data accuracy, make Students information management more secure, effective, convenient and accessible.

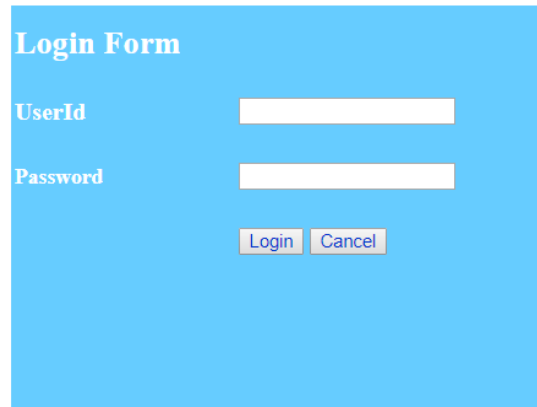

To coordinate information across the system to simplify Students access to Admin resource.

PROJECT CATEGORY

WEBBASED PROJECT

PROJECT

Design of Login Page-

Source Code:

Login.aspx-

```

ASHOKA VARANASI
```

ASHOKA institute of technology and management (Ashoka) came into existence on February 22; 2010 located at heart of the holy city Varanasi at the distance of 3.5 km from the Varanasi Cantt Railway Station and is also near to the place of enlightenment of Lord Buddha, Sarnath (Rishipattan) at the distance of 1.5 km. The institute's location adds vibrancy of the campus and makes it an ideal place for learning. It is safe, secure and provides excellent academic environment.

** Mission:** To churn out highly competent Engineering graduates with a commitment to result oriented work, a perennial zest for learning a quest for excellence, an open mind dignity and mutual care.

Vision: To be chrysalis where bright youngsters are transformed into Technological Entrepreneurs and innovative leaders of tomorrow's world, consistent with the Franciscan vision of integrity, peace and love.

</asp:Content>

Design of Course Detail Form-

The screenshot shows the Ashoka University website with a navigation bar at the top containing links: Home, Admissions, Courses, Course Detail, Register Course, Faculty, Update Form, Gallery, and Contact Us. Below the navigation bar is a large banner image of the Ashoka University building. Overlaid on the banner is the 'Course Detail Form'. The form has a light green background and contains the following fields:

- Course Name: B.Tech (dropdown menu)
- Semester: (text input)
- Duration: 3 years (dropdown menu)
- Code: (text input)
- Start Date: (text input)
- End Date: (text input)
- Grading System Type: CGPA (dropdown menu)

At the bottom of the form are two buttons: 'Register' and 'Cancel'. Below the form is a footer with the text: 'Privacy Policy | Site Map Copyright © 2017 | ASHOKA | Varanasi | All Rights Reserved Developed & SEO by: - Pharmacy college in varanasi'.

Design of Register Course-

The screenshot displays the Ashoka University website with a navigation bar containing links: Home, Admissions, Courses, Course Detail, Register Course, Faculty, Update Form, Gallery, and Contact Us. Below the navigation bar is a banner image of the university building. The main content area features a 'Student's Registration Form' with the following fields and controls:

- Name: Text input field
- Father's Name: Text input field
- Mother's Name: Text input field
- Postal Address: Text input field
- Personal Address: Text input field
- DOB: Text input field
- Gender: Radio buttons for Male and Female
- City: Dropdown menu (selected: Varanasi)
- Course: Dropdown menu (selected: B.tech)
- State: Dropdown menu (selected: Uttar Pradesh)
- Country: Dropdown menu (selected: India)
- Mobile No.: Text input field
- Submit Form: Button
- Reset: Button

At the bottom of the page, there is a footer with the text: Privacy Policy | Site Map Copyright © 2017 | ASHOKA | Varanasi | All Rights Reserved Developed & SEO by: - Pharmacy college in varanasi

Design of Update Register Course-

The screenshot displays the Ashoka University website with a navigation menu at the top. The 'Update Form' link is highlighted. Below the navigation bar is a banner image of the university building. The main content area features a 'Student's Registration Form' with the following fields: Name, Father's Name, Mother's Name, Postal Address, Personal Address, DOB, Gender (Male/Female), City (Varanasi), Course (B.Tech), State (Uttar Pradesh), Country (India), and Mobile No. There are 'Update' and 'Reset' buttons at the bottom of the form. The footer contains a privacy policy and copyright notice for 2017.

Design of Delete Register Course-

The screenshot displays the Ashoka University website with the 'Young India Fellowship' banner. The navigation menu includes Home, Admissions, Courses, Faculty, Employee Form, Gallery, Delete, and Contact Us. The main content area features a large image of the university building and a 'Student's Registration Form' with the following fields:

- id
- Name
- Father's Name
- Mother's Name
- Postal Address
- Personal Address
- DOB
- Gender: ☐ Male ☐ Female
- City: Varanasi
- Course: B.tech
- State: Uttar Pradesh
- Country: India
- Mobile No.

Buttons for 'Show', 'Delete', and 'Reset' are located at the bottom of the form. The footer contains a Privacy Policy link and copyright information for 2017.
